

Kindergarten Check List

- *Can your child **write** and understand quantities associated with written numbers?
- *Is your child able to **count** objects accurately?
- *Is your child able to **compare** quantities of objects?
- *Can your child solve simple **addition and subtraction** problems?
- *Is your child familiar with basic **two-dimensional shapes** (i.e. circle or square) and **three-dimensional shapes** (i.e. cone or a cube) and able to recognize them in his/her environment?
- *Can your child **use shapes** to construct more complex shapes?

First Grade Check List

*Does your child have a basic understanding of **addition and subtraction** and how they relate to counting?

*Is your child able to **use models and different strategies** to solve addition and subtraction problems?

*Does your child understand **tens and ones** and recognize that numbers are comprised of ones or tens and ones? (This is the concept of “place value.”)

*Is your child able to solve problems and **compare quantities** with numbers up to 100?

*Does your child understand the concept of **length**, and is your child able to **measure** the length of an object?

*Can your child explain the information contained within a simple **chart or graph**?

*Can your child **build shapes** using other shapes?

Second Grade Check List

- *Does your child have a basic understanding of **addition and subtraction** and how they relate to counting?
- *Is your child able **to use models and different strategies** to solve addition and subtraction problems?
- *Does your child understand **tens and ones** and recognize that numbers are comprised of ones or tens and ones? (This is the concept of “place value.”)
- *Is your child able to solve problems and **compare quantities** with numbers up to 100?
- *Does your child understand the concept of **length**, and is your child able to **measure** the length of an object?
- *Can your child explain the information contained within a simple **chart or graph**?
- *Can your child **build shapes** using other shapes?
